

## PRESS RELEASE

### Peckerwood Hits Memorabilia!

#### FOR IMMEDIATE RELEASE

Ablaze Media is pleased to announce the launch of **Peckerwood**, a brand new series of comedy graphic novels. The first book, *Peckerwood: 24 Minutes*, is a smart, funny, irreverent parody of the TV show *24*. The launch will be at the [Memorabilia](#) show, at the Birmingham NEC, which takes place on 24<sup>th</sup>-25<sup>th</sup> November 2007.

Ablaze Media's last book, *Tozzer 2: Special Edition*, was an indie comics phenomenon, and Tozzer fans across the globe are hungry for more from the Dunlop-Lumby creative team.

"It's been two years in the making, has cost millions of dollars, three marriages and ultimately led to the WGA strike action in America, but man alive, *Peckerwood: 24 Minutes* is worth the wait," says artist Peter Lumby.

"And we're delighted to be launching our new baby at Memorabilia," adds writer Rob Dunlop. "We always enjoy exhibiting at the show, which has continued to flourish, with a great attendance and an amazing variety of guests. This is the perfect venue for the birth of Peckerwood!"

**"The funniest 24 Minutes of my life!"**  
Manolis Vamvounis, *Comics Nexus*

**"A viciously funny, unrelenting parody...  
the next stage in the evolution of  
Dunlop and Lumby as comic creators"**  
Chad Boudreau, *Comic Readers*

#### PECKERWOOD: 24 MINUTES SYNOPSIS

Agent Jack Ass has just 24 minutes to abduct a hitman, raid a candy factory, save a panda, fly to Europe, have his hair done and prevent World War 3. Yup, he's gonna need some help. Tozzer, Rod and Hornie are desperate for work, so when Jack offers them the acting gig of a lifetime, they jump at the chance. But how can they survive, when they're up against The Englishman, Peckerwood's most notorious criminal mastermind? The fate of the planet hangs in the balance, and the clock is ticking... Or at least it *would* be ticking, if it wasn't digital.
